Education Financial Assistance: Thank you so much for your generosity in helping our young people with their financial needs so that they are able to receive a Christian education at either grade school or academy level. Our financial needs for the 2018-2019 year are as follows: Inez Wrenn \$1700/Month, Academy \$ 500/Month. We have a couple of young people who are attending our academy that does not qualify for worthy student funds and so the Church board has set up a Student Evangelism account with a financial need for the 2018-2019 school year of \$1400/Month. To make a donation to any of the above accounts, please be sure to mark your tithe envelope **“Inez Wrenn WS, Academy WS, or Student Evangelism.”** Thank you for your financial support for Christian education.

LITERATURE AVAILABLE

Here is a partial inventory of literature at our church available for you without cost. You may be interested for your own self, or to give away. Anyway, let's think how we can transfer these tracts, magazines, and books from our church building into hands that will read them. You will be blessed as you do this.

Review and Herald, November 5, 1914 - "In the past a large work has been accomplished in the distribution of the printed page. This is a line of service in which every church member can have some part. All cannot go out as canvassers for our larger books, but there is a field of usefulness open before many of our brethren and sisters in placing of truth-filled publications in the homes of their neighbors and friends."

Let us praise God with you! Let us know if you have answers to prayers that we can put in the bulletin, so that our shut-ins who read our bulletin online can see the Lord at work in their church family.

Exodus 33:13

“13 Now, therefore, I pray, if I have found grace in Your sight, show me now Your way, that I may know You and that I may find grace in Your sight. And consider this nation *is* Your people.”

As children of God, we have His favor. Let us pray for our church that we may know God and His way.

THANK YOU! A few months ago, the Pathfinder leaders asked if I would be willing to teach the cake decorating honor to a group of kids. I said yes! I ended up needing help, so my mother and my husband both jumped in and helped teach some of the classes. Together, we completed the last class for the honor this past Tuesday. Church, I want to brag on them for a minute! They are outstanding young people. They worked so hard to do their very best and it showed. They were cheerful, kind to one another, respectful, loving, and so very appreciative. These kids are the future of our church, and I couldn't be more proud or excited about that.

If you have the opportunity to work with these young people, you will be blessed. We were blown away and blessed many times over. Pathfinders, thank you for letting Jesus shine through you, and thank you for being the sweet individuals you are. You really put forth your best effort and made some amazing progress in your skills. Well done! You are special, and you are such an important part of our church and community.

To the Pathfinder leaders, school teachers, and parents...thank you for what you do every day to teach and train these young people. You are doing an amazing job!

With much love and gratitude,
Amy & Tim McHenry and Gay Knapp
