Education Financial Assistance: Thank you so much for your generosity in helping our young people with their financial needs so that they are able to receive a Christian education at either grade school or academy level. Our financial needs for the 2019-2020 year are as follows: Inez Wrenn \$750/Month, Academy \$1250/Month. We have several of our young people who are attending our academies that do not qualify for worthy student funds and so the Church board has set up a Student Evangelism account with a financial need for the 2019-2020 school year of \$2100/Month. To make a donation to any of the above accounts, please be sure to mark your tithe envelope **“Inez Wrenn WS, Academy WS, or Student Evangelism.”** Thank you for your financial support for Christian education.

Master Church Calendar: Please contact Shadelle Haley at 931-787-8500 to reserve the FLC, Church or Inez Wrenn for Ministry needs or personal events.

HEALTH NUGGET:

Job 12:7-10

7 But ask the animals, and they will teach you, or the birds in the sky, and they will tell you; 8 or speak to the earth, and it will teach you, or let the fish in the sea inform you. 9 Which of all these does not know that the hand of the LORD has done this? 10 In His hand is the life of every creature and the breath of all mankind.

Nature walks deliver a powerful longevity boost- - - The great outdoors offers diverse health benefits report researchers in the journal, Environmental Research . In a review of 143 prior studies, increased exposure to “green space” was linked to a 31% decreased risk of mortality, a 28% risk of diabetes, and an 18% decreased risk of stroke. The study authors say walking through a forest (or even viewing trees through a window) relieves stress, limits pollution exposure, and encourages physical activity - - - All of which promote physical and mental health.
