

> Education Financial Assistance for 2020-2021 School Year <

The Crossville Seventh-day Adventist church family has been a blessing to so many students throughout the years. We have donated time and money to help see that our children receive a Christian education. Many students who would not have otherwise known the love of Jesus have attended our school and have committed their lives to Jesus. As times get harder, our needs increase. More students are looking for something more. Please seek the Lord for wisdom on how you can help support the young people who want a Christian education. To make a donation to any of our school's accounts, please be sure to mark your tithe envelope "Inez Wrenn WS, Academy WS, or Student Evangelism."

Thank you for your financial support for Christian education.
