

> Education Financial Assistance for 2020-2021 School Year <

The Crossville Seventh-day Adventist church family has been a blessing to so many students throughout the years. We have donated time and money to help see that our children receive a Christian education. Many students who would not have otherwise known the love of Jesus have attended our school and have committed their lives to Jesus. As times get harder, our needs increase. More students are looking for something more. Please seek the Lord for wisdom on how you can help support the young people who want a Christian education. To make a donation to any of our school's accounts, please be sure to mark your tithe envelope "Inez Wrenn WS, Academy WS, or Student Evangelism."

Thank you for your financial support for Christian education.

For Prayer and Meditation

Nothing but a deep personal experience will enable us to stand the test of the trials and temptations we shall meet in the Christian warfare. Too often we feel well when everything goes smoothly; but when doubts assail the soul, and Satan whispers his suggestions, our defense is gone, and we yield quickly to the arts of the tempter, with scarcely an effort to resist and repulse him, It is not enough to have good impulses. The soul must be barricaded by prayer and study the Scriptures. Armed with these weapons, Jesus encountered our wily foe on the field of battle, and overcame him. We may all conquer in His strength; but it will not answer for us to suppose that we can dispense with His help. He says, "Without me ye can do nothing." *John 15:5*. But no truly humble soul who walks in the light as Christ is in the light, will be ensnared by Satan's deceptive devices. — *Our High Calling, p. 330*.
