

> Education Financial Assistance for 2020-2021 School Year <

This month we have 5 students graduating from the schools we support. Next school year we will have at least 8 graduates. Your time and financial donations have not gone unnoticed. The investment you make in these schools makes a difference for eternity. Many students who would not have otherwise known the love of Jesus have attended our school and have committed their lives to Jesus. As times get harder, our needs increase. Please seek the Lord for wisdom on how you can help support the young people who want a Christian education. To make a donation to any of our school's accounts, please be sure to mark your tithe envelope "**Inez Wrenn WS, Academy WS, or Student Evangelism.**" Thank you for your financial support for Christian education.
