

> Education Financial Assistance for 2020-2021 School Year <

The Crossville Seventh-day Adventist church family has been a blessing to so many students throughout the years. We have donated time and money to help see that our children receive a Christian education. Many students who would not have otherwise known the love of Jesus have attended our school and have committed their lives to Jesus. As times get harder, our needs increase. More students are looking for something more. Please seek the Lord for wisdom on how you can help support the young people who want a Christian education. To make a donation to any of our school's accounts, please be sure to mark your tithe envelope "Inez Wrenn WS, Academy WS, or Student Evangelism."

Thank you for your financial support for Christian education.

DUFFLE BAG PROJECT - Our church provides duffle bags for children coming into foster care in Cumberland Co. The children are given an opportunity to choose a bag and luggage tag that they like at a time when their world is feeling out of control. Recently we received a call from House of Hope that they are running low on the 35 bags previously donated. You are invited to support this project by shopping for and donating new bags approximately 22-30 inches in length and/or donating funds for it by marking your offering envelope accordingly. Thank you for your support and please pray for these children. If you have questions, you may call Gay Knapp at 277-5012.
