

Education Financial Assistance for 2022-2023 School Year

The Crossville Seventh-day Adventist church family has been dedicated to providing Christian education throughout the years. Crossville members have donated time and money to help see that our children experience Jesus in the classroom. Students who attend our schools have the opportunity to experience the love of Christ in the classroom with encouragement to commit their lives to Jesus. Thank you for your commitment and generosity. To make a donation to any of our school's accounts, please be sure to mark your tithe envelope "Inez Wrenn WS, Academy WS, or Student Evangelism." Or, for your convenience give online: <https://adventistgiving.org/>. Thank you for your on-going financial support of Christian education.

Personal Ministries:

1. If you have enjoyed one of the 30 copies of the little book "Home at Last" by Walton Brown, once you have read it, please be so kind as to return it to the church literature rack in the lobby so others can also be blessed by it. Thank you!
2. If you have been looking for copies of Great Controversy and or Ministry of Healing, to give away, they are now in stock in our literature closet.
3. If one of your personal ministries is to scatter literature "like the leaves of autumn," our literature closet here at church is to assist you with such projects. If there are specific literature items which you feel are good "leaves" to be scattered but do not find such in the literature closet, please contact Lowell Jenks (865-839-0073).

"The badge of Christianity is not an outward sign, not the wearing of a cross or a crown, but it is that which reveals the union of man with God. By the power of His grace manifested in the transformation of the character the world is to be convinced that God has sent His Son as its Redeemer. No other influence that can surround the human soul has such power as the influence of an unselfish life. The strongest argument in favor of the gospel is a loving and loveable Christian." MH 470.1
