

### Education Financial Assistance for 2022-2023 School Year

The Crossville Seventh-day Adventist church family has been dedicated to providing Christian education throughout the years. Crossville members have donated time and money to help see that our children experience Jesus in the classroom. Students who attend our schools have the opportunity to experience the love of Christ in the classroom with encouragement to commit their lives to Jesus. Thank you for your commitment and generosity. To make a donation to any of our school's accounts, please be sure to mark your tithe envelope "Inez Wrenn WS, Academy WS, or Student Evangelism." Or, for your convenience give online: <https://adventistgiving.org/>. Thank you for your ongoing financial support of Christian Education.

## BUGEMA UNIVERSITY Vocational School PROJECT

### THE NEED IN UGANDA CONTINUES...

Dear Crossville Church Family,

Chad and I and three others are once again gearing-up for a mission trip to Uganda, flying out on Sunday 21 May. As per my trip in January, one of our goals is to continue facilitating the Bugema University Vocational School program.

The \$17,000 sent last July for the building addition to the mechanics program has been well spent and that addition will be in operation when we arrive there in May.

The donated tools and \$1,000 for tool purchase and the set-up of the mechanics tool room effected in January is providing much needed hands on opportunities for students. I hope to take the rest of the donated used tools and also purchase additional specialty tools and mechanics textbooks. The textbooks will be kept in the library.

The next area I hope to focus attention on is the recently initiated Culinary Arts certificate and diploma programs which are about two years in the making. The Culinary Arts program was begun Jan. 2022 in a 20' shipping container. It has since moved into a 12' X 30' add-on to another building. A whole new building to house the C.A. program is about one-half completed. When completed it will provide a large equipped teaching kitchen, a restaurant area to serve the public (the school is on a main thoroughfare) and generate funds for the program. Thus I am seeking assistance in raising funds for:

1. Additional mechanics specialty tools & textbooks ----- \$ 1,800.00
2. Materials to complete the Culinary Arts building ----- \$27,000.00

Thank you and may the Lord impress you as to what you might do to help see this project to completion be it your much sought after prayers and or financial assistance.

In Christ,  
Lowell Jenks

## **WHAT IS PATHFINDERS?**

Pathfinders is an activity-based youth program designed for 10-15 year olds, and adopted by local Seventh-day Adventist Churches worldwide. The program provides an opportunity for kids and teenagers to develop a healthy sense of self in a fun, safe and caring environment. Pathfinders learn how to lead and work as a team, enjoy the outdoors by going camping and studying nature, develop practical life skills, serve community needs, learn what constitutes a healthy lifestyle and make lifelong friendships, all while earning Honors, learning important Christian values and developing a relationship with Jesus.
