

### Education Financial Assistance for 2023-2024 School Year

The Crossville Seventh-day Adventist church family has been dedicated to providing Christian education throughout the years. Crossville members have donated time and money to help see that our children experience Jesus in the classroom. Students who attend our schools have the opportunity to experience the love of Christ in the classroom with encouragement to commit their lives to Jesus. Thank you for your commitment and generosity. To make a donation to any of our school's accounts, please be sure to mark your tithe envelope "**Inez Wrenn WS, Academy WS, or Community Student Aid.**" Or, for your convenience give online: <https://adventistgiving.org/>. Thank you for your ongoing financial support of Christian Education.

## Bulletin Insert – June 17 2023

### **Prayer Requests:**

The Elder in charge will take 2-3 requests from the front during the church service. He will then come down from the pulpit and you may bring your written request and place it in the open Bible in his hands for a special prayer. Those cards will then be filtered to the Prayer chain and to Elders for special prayer. The Pastor will also pick one person/family name and request the congregation to pray for that person/family for the coming week. That person/family will have the opportunity to share during service the next week service if they choose to.

### **Bread of Life Rescue Mission:**

The month of June is covered. Please contact Crystal Andersen (209-756-1712) to make soup for one of the weeks in July. Although delivery is on Thursdays by 11:00 am to BOL, arrangements can also be made to drop soup off Wednesday afternoon/evening at the FLC kitchen refrigerator and Crystal will deliver on Thursday. Just let Crystal know your preference.

### **Attention Ladies:**

If you are interested in a smaller more personal Sabbath School discussion group, we have a place for you. We meet at the start of Sabbath School in the room behind the organ. Come join us.

As representatives of the church, the committee seeks your input as we move forward. We encourage all members to fill out the survey in the mailboxes in the foyer and to please keep this committee in your prayers as we explore the options. We are meeting with the conference building project representative and an engineer expert and look forward to bringing a report back to the church.
